CAMA and GREENWORKS

We are constantly adding great new GREENWORKS® products. Do you want something added to the range? Just ask us.

GREENWORKS offer the complete package for battery products and is a brand your dealership can work with for the future. CAMA is making GREENWORKS very price competitive so you can compete with the larger mass retailers but also offering industry leading margins for the dealer.

With GREENWORKS your possibilities are endless. You get no fumes, no maintenance, no hassle. Just clean, strong battery power with products that are versatile, easy to use and environmentally friendly.

Innovative battery products designed to make gardening more enjoyable. Enjoy the work!

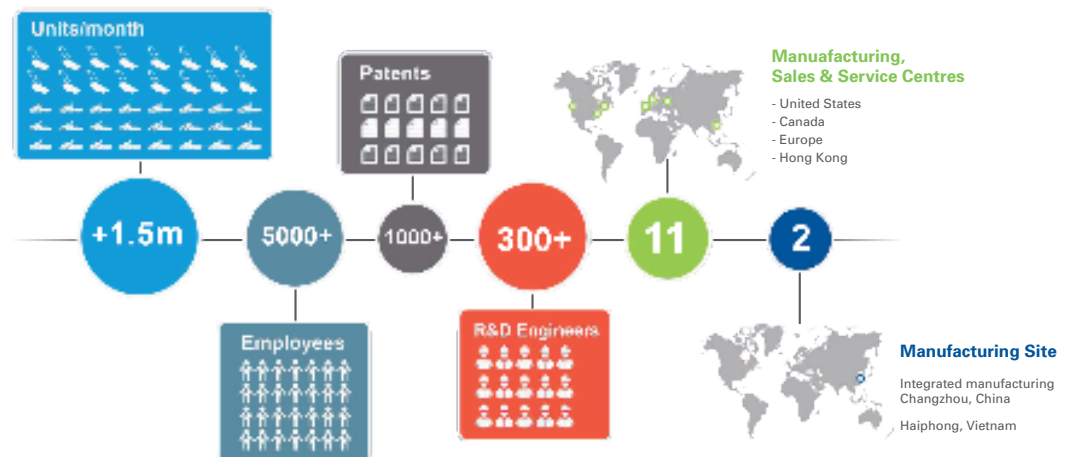

greenworks TM pro

GREENWORKS facts...

- Produces 1.5 million units per month.
- Market leader in battery products.
- Huge OEM customer base.

Battery products are the fastest growing area in our industry. GREENWORKS is the perfect partner to support you through this growth with a full range offer covering multiple platforms.

Warranty

Greenworks recommend products be inspected annually by an authorised Greenworks service centre to ensure optimum performance.

Contact your authorised Greenworks service centre for assistance in all warranty related matters.

Domestic

Greenworks offers a generous domestic warranty on 60V GREENWORKS products.

Product skins come with a 4 year domestic warranty, batteries and chargers come with a 2 year domestic warranty.

Professional

The GREENWORKS 60V products are classified as a professional product and are covered by a professional warranty of 1 year for product skins and 1 year for batteries and chargers.

Point of Sale material

Brochures, A4 point of sale cards, swing tags and clips are available. Greenworks have available product infomercials and instructional videos, which can be found online or via a USB stick.

Our website also has lots of product information www.greenworksnz.com

Interested in display stands? Contact us and ask about becoming a Greenworks 60V Pro Dealer.

Professional range

Brushless Axial Blower 60V

Skin Only Part No: 2405907

4.0Ah Kit Part No: 2406807

This GREENWORKS® 60V ergonomic garden blower provides the power you need to blow through your weekend garden clean up with ease. Features a push start engine for quick, effortless start ups, a turbo button and a variable speed trigger with cruise control.

Technical Details

42" Ride-On Mower 60V

Part No: 7400707

Includes: Ride-on, 6 x 8.0Ah lithium-ion removeable 60V batteries and 3 x 10A dual port fast chargers

The future is here with the versatile, easy to operate GREENWORKS® 42" ride-on mower, a perfect option if you're looking to maintain a larger lawn. This unit, which has the manoeuvrability of a zero turn mower but with steering wheel control, is powered by six state of the art, removable 60V 8.0Ah lithium batteries and charges in 60 minutes with the aid of three 10A dual port chargers – all included. The batteries are also fully compatible with the entire GREENWORKS 60V range.

With a top speed of 12.8km p/h, a tight turning radius of 93cm (36.5") and the ability to cut up to 2 acres on a single charge, the GREENWORKS ride-on will get the job done without the hassle of petrol.

Drop the decibels and emissions to levels that keep everyone happy!

Mulching kit included, rear catcher (page 21) available as an optional extra.

Technical Details

Voltage	60V	Replaceable Batteries	Yes
Cutting Deck	42"	Min. Cutting Height	1.5"
Length	74.4" (1890mm)	Max. Cutting Height	4.5"
Height	52.5" (1334mm)	Runtime	Up to 2 acres (with 6 x 8.0Ah batteries)
Width (with discharge)	50" (1270mm)	Charging Time	60 minutes (with 3 x 10A dual port chargers included)
Forward Speed	12.8km/h	Connectivity	4G / App connected
Reverse Speed	4.8km/h	Compatible with full 60V range	Yes

42" Zero Turn Mower 60V

Part No: 7400807

Includes: Zero turn, 6 x 8.0Ah lithium-ion removeable 60V batteries and 3 x 10A dual port fast chargers

Whether you're a keen residential, land owner or small commercial operator, the GREENWORKS® 42" zero turn mower is perfect for you. With the ability to manoeuvre on the spot you'll be able to navigate your way around garden obstacles, such as shrubs, trees and garden beds with ease. The 42" zero turn has a top speed of 12km p/h allowing you to work effectively and efficiently.

Features such as the high back seat, foot rests and ergonomic levers elevates mowing to a whole new level!

As with the GREENWORKS 42" ride-on, this unit is powered by six state of the art, removable 60V 8.0Ah lithium batteries and charges in 60 minutes with the aid of three 10A dual port chargers – all included. The batteries are also fully compatible with the entire GREENWORKS 60V range.

Powered by innovation, not by petrol!

Mulching kit included, rear catcher (page 21) available as an optional extra.
